**\$500 REWARD**  
is offered by the manufac-  
turers of Dr. Sage's Catarrh  
Remedy, for a case of cat-  
arrh in the head which  
they cannot cure.

**SYMPTOMS OF CATARRH**—Dull, heavy  
headache, obstruction of the nasal passages,  
discharges from the head into the throat,  
sometimes purulent, watery, and acrid; others,  
thick, tenacious mucus, pain in the nose, and  
pain in the eyes are weak and watery; there is  
a ringing in the ears, dizziness, hacking or  
coughing to clear the throat, expectoration of  
offensive matter, together with sputum from ulcers;  
the nose is closed, and there is no power  
over the breath is offensive, smell and taste are impaired, there is a sensation of dizziness,  
with mental depression, a hacking cough  
and general debility. Only a few of these  
symptoms are likely to appear in  
any one case. There are cases a family,  
without any exciting hot or the nervous sys-  
tem, requiring a consumption and end in the  
body. Catarrh is a common, more de-  
epidemic and dangerous, or less understood by phys-  
icians.

By its mild, soothing and healing properties,  
Dr. Sage's Catarrh Remedy cures the worst  
cases of Catarrh. "Catarrh in the Head,"  
"Coryza," "Catarrhal Headache."  
Druggists every where: 50 cents.

**Tutored Agony from Catarrh.**  
PROF. W. HAGEMAN, the famous mechanist,  
of Utica, N.Y., writes: "It is now two years since I  
suffered until relief from druggist's nasal catarrh.  
My family physician gave me up as  
despair, and said I must die. My case was  
so bad that I could not even sit upright, and  
my voice would become so hoarse that I could  
not speak above a whisper. After a month  
of suffering and chafing, my doctor would  
not give a diagnosis, but the druggist of Utica  
treated me, and in three weeks I was well,  
and the cold has been permanent."

**Constantly Coughing and Spitting.**  
THOMAS J. RUSHING, Esq., 227 Pine Street,  
St. Louis, Mo., writes: "I was a constant sufferer  
from catarrh for two years. At times I could  
barely breathe. I was nearly exhausted, and  
at last I was forced to the last of my strength, could  
not live except through the nostrils. I thought  
nothing could be done for my. Lastly, I was  
advised to try Dr. Sage's Catarrh Remedy, and  
I am now a well man again. I desire it to be the  
only remedy for catarrh now manufactured,  
and can only give it a fair trial to  
experience astounding results, and a permanent  
cure."

A complete Treatise on Catarrh, giving valuable  
hints to physicians, and other practitioners  
of importance, will be mailed post-paid to any  
address, on receipt of a twentyl five cent stamp  
address,
